ALMA MATER

College Song

Old Melody

I

Our strong band can ne'er be broken,
Formed in Fairfax High—
Far surpassing wealth unspoken,
Seal'd by friendship's tie.

CHORUS

Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true,
When we from life shall part.

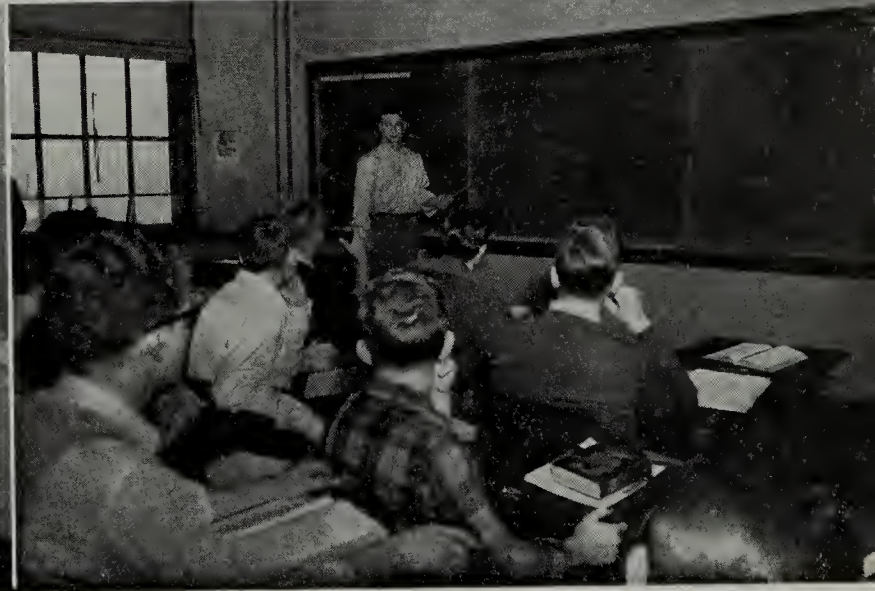

II

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back, o'er life's broad track
To pleasures long gone by.

III

High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for Fairfax High.

FARE FAC SAMPLER

The yearbook which has been an annual publication since the organization of the school thirteen years ago, has proved to be very successful. The main purpose is to bring to each student a book which he can keep and treasure as a memento of his school days at Fairfax High.

The staff puts many hours of hard work on the compilation of the annual and we truly hope the students enjoy the book as much as we do working on it.

Aims

Now in the time of "haste and waste" we, as young citizens, are striving to protect lives of our fellow students.

Our aims are the aims of all free Americans, "Live and let live."

We wish to protect others while traveling to and from school and watch out for reckless drivers.

Accomplishments

To the time of publication, we haven't had any accidents. No student was hurt or injured.

We have a total of fourteen busses for Fairfax High School students, all of which are protected as much as possible, by thirty-one able bus patrols.

We have acted as traffic directors for football games, X-ray survey, concerts, and night baseball. We have served as helpers during the fuel shortage.

Safety lectures were given to all students, plus special speakers on safety from Washington, D. C.

We have proved that teen-agers are safety minded and will follow words of caution better than their elders.

We have had a clean record for five years.

Acknowledgment

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the efforts put forth in making the Thirteenth Volume of our book a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin-Baliban for their services and cooperation with our photographs; Mr. Penny and Mr. Hicks of Brown-Morrison for their efforts in producing this book, the finest we have ever edited; all our advertisers who have made our undertaking an overwhelming financial success; the willing group of typists and other helpers not on the staff, who have worked endlessly without credit; and all other individuals who have contributed in any way to the successful completion of our task.
